Hold the phones and stop the press

Dmaj7 Am
This will be better than the rest

Gmaj7
Coz my head is spinning
Em Dmaj7 Bm
And I am seeing stars

You gave me life from a single breath
No truer words have now been said
Coz my head is spinning
And I am seeing stars

Em F#m
I feel so dizzy, I need to rest
Gmaj7 F#m
With this feeling I got in my chest

Em
Oh, I see the world now
Cmaj7 Dmaj7 Bm Am
Through the eyes of love

Gmaj7
Oh, my head is spinning
Em Dmaj7 Bm Dmaj7 Bm
And I am seeing stars

I'll build a world in which you can live
And give you all the space to move within
But I'm hardly breathing
As my eyes well up with tears

I want to hold you in my arms
And drown in your presence, your light and your love
Coz my head is spinning
And I am seeing stars

I feel so dizzy, I need to rest
With this feeling I got in my chest
Oh, I see the world now
Through the eyes of love
My head is spinning
And I am seeing stars

Gmaj7
Oh, my head is spinning
Em Dmaj7 Bm Am
And I am seeing stars

Gmaj7
My head is spinning
Em Dmaj7
And I am seeing stars
